St. Anne Roman Catholic Church – Religious Education Policy

Sacramental Programs: Students seeking Sacraments of First Communion or Confirmation must be up to date in their religious education. Participation in mandatory parent meetings, parent-student and or sponsor-student retreats/activities, as well as additional fees, etc. is required.

Attendance: Full attendance and lesson completion is required.

Respect: Students are expected to fully cooperate with leaders, staff, and each other at all times. No disruptions during gathered events and activities will be tolerated.

Dress Code: Church appropriate long pants, sleeved shirts and closed toe shoes.

No Cell Phones or Electronics: Students are not allowed to have cell phones or electronics in their possession while participating in any of our religious programs.

Zero Tolerance Drug/Alcohol Policy: Any student caught with any type of drug, medication, or alcohol in their possession will be automatically expelled from the program.

Diocesan Safe Environment Program: In the pastoral effort to respond to a heightened need for the protection of our children, the Diocese of Lafayette has developed “A Safe Environment for the Protection of Children and Young People” program. As part of this program, all children in our Religious Education Programs will be participating in an education session relating to child abuse and prevention. By registering your child in our religion program, parents are automatically giving consent for their child to take part in this safe environment session.

I have read and reviewed the Family Faith Formation catechetical approach document and the Religious Education Policy with my family. We understand our full cooperation is required for a successful program.
